2.5” HDD Case X-25 High Speed

Description:	***Pictures:***

X-25 High Speed
Speed and compactness are the main features of the **X-25 High Speed**. Equipped with state-of-the-art **USB 3.0** connector this case can achieve a data transfer rate up to 5 GBit/s.

Besides speed the **X-25** attracts through its noble matt-black aluminium surface. Additionally the blue illuminated SinanPower-lettering which serves as the power LED gives this case a modern look.

Speed Up Your Life
with INTER-TECH
